SNOOKER

The 1997 tournament has taken off with a burst and it's shaping up to be a sensational year with a string of surprises and a number of upsets.

One of this year's favourites, Adrian Abbot, was knocked out early in the piece by the tenacious Kerry Series. Former handicap champions Peter Twigg, Ron Rogers and David Cox have also been eliminated although David's son, Stewart Cox, has defeated young T. Gillis to proceed into the third round. There will be some stiff competition, however, from some other high fancied players, including Eddie Crane who is playing well as is Tony Tomlin, John Gowran, Frank Galanos and rookie, Tim Rosser.

Our European contingent has performed well with the voluble Czech Prince, Vinnie Hrouda (winner in 1993) proceeding past his first round as has our Polish Patriarch, Eugene Piekarski. Old timers, Bob Jelfs and Brian McElvogue, are showing fine form, however the final eight still looks incredibly difficult to predict. It's an exciting tournament and Paddy Morgan is doing a great job organising it.

Eddie Crane Crystal Challenge

Bill Henneberry and Frank Galanos put on a fine show to win the latest Crystal Challenge, beating a formidable field, including fellow finalist Jeff Woollard and former Polish Champion, Eugene Piekarski.

For their efforts, the first placegetters received wonderful Crystal Trophies donated by Eddie Crane and \$500 cash, but second place was just as special, being more Crystal Trophies.

The evening was a truly great night and the staff put in extra effort towards making the night a success, for which we were truly grateful. The Club welcomes new players and any questions, or interested players, should contact Paddy Morgan in the Snooker Room.

Doubles

The invitation Double is progressing well and there have been some tough matches. Eddie Crane and Vinnie Hrouda defeated long time partners John Gowran and Peter Twigg. Mark Twigg and Andrew Corbett have also played well to defeat Rod Foord and Dennis Pidcock.

New Members

All new Members to the Club are entitled to a free snooker lesson with the Club Professional, Paddy Morgan, and new members wishing to take advantage of this offer should contact Paddy via the Snooker Room.

Interclub Competition

The Interclub Competition has started and will be played on Wednesday evenings. A timetable is on the notice board and interested players should contact Andrew Bald. The team looks strong this year and Tattersall's will be committed to trying to regain the prize lost in '96' to NSW Sports.

LOADING DOCK PARKING

CYCLING

Rain breaks for successful club ride
6.30 am

Sunday morning saw blue skies for the inaugural club ride. Starters – three riders and 4000 runners. Luckily, we both went in different directions. Distance 45km. Breakfast was at Centennial Park, coffee and muffins. A good time was had by all. It wasn't too cold and the pace was nice and easy. So, for all you cyclists who thought the pace would be too much for them, come along to the next ride and try it for yourself. Watch the notice board in the Athletics Dept for future rides.

SKI CLUB

Tattersall's Ski Club Yodelling Competition
Anything can happen after a couple of schnapps at the Tattersall's Ski Club '97 drinks party. So jump on your skis and slide down to the Members' Bar on Thursday the 12th June at 6pm, with dinner in the restaurant afterwards. Please book now!

Note: The ski drinks are open to any club member who has any interest in skiing – from watching to participating. We want to encourage members to come along and enjoy another club sporting activity.

- Surveillance cameras have been installed in the pool area so that the area can be monitored at all times
- State-of-the-art oxygen equipment has been purchased

New Member Athletic Department Orientation

As of this month, all new members to Tattersall's Club will be invited to a "New Member Athletic Department Orientation" held on a monthly basis.

The agenda is as follows:

- Facilities
- Staffing
- Services
- Questions and Answers
- Benefits

Invitation to a free, non-obligation Personal Needs Analysis.

If you joined Tattersall's Club prior to this month and would like to attend a "New Member Athletic Department Orientation", please call Tony in the Athletic Department.

Personal Training

Personal Training is the premier service and is one of the fastest growing areas of the health and fitness industry. So what is personal training?

Simply put, it is a results-orientated program where the client works on a one-to-one basis with a trainer. Rather than the clients following a program by themselves, they have a trainer who is constantly monitoring their progress and is ensuring the person is taking the best possible path to reaching their goals.

Some of the benefits are:

- Safety
- Goal specific programs
- Nutritional guidance
- Increased motivation
- Constant upgrade of programs (to ensure on-going progress)

Personal Training offers services in an extensive range of fields including:

- Weight loss and management
- Rehabilitation
- Stress management
- Beginning fitness
- Sport specific
- Flexibility

For further information on Personal Training, please contact Steven or Tony in the Athletic Department.

Swimming

Tattersall's Swimming Club members were delighted to welcome Manchester Unity as a sponsor and Chief Executive, Rob Goaley, presented the initial Manchester Unity Health Award for month three of the season to John Storry.

Rob Goaley has been a member of Tattersall's for 10 years and John Storry is a long-standing member of Manchester Unity, a very happy coincidence.

All the point scores up to date are as follows:

3rd Monthly 50m Point Score

1st JOHN STORRY 34 PTS

2nd BEN BURNEY 31 PTS

3rd IAN LEMMEY 30 PTS

A PLEASURE TO MEASURE

The Button that came to dinner

A formal shirt can be formal without being boring

The good old penguin collar can never actually be wrong. But some occasions call for one fresh touch to your dinner shirt dignity. Some of Vince M's formal shirts are positively austere. The Grandfather collar ennobled by one simple, significant button. Or a sleeked-down version of the wing collar plus a jewel of a button. Or something tasty in . . . black! Or the calm of a turn-down collar, but in pure natural silk. Or Versace's lofty fine cotton with extravagant cuff links. Whatever. But don't yawn your way into nonentity. Duck in next door and Vince M. will see you right.

EASY WINE FACSIMILE ORDER FORM

Rouge Homme Richardson's White Block Coonawarra Chardonnay 1995

Complex and elegant, this wine epitomises the cool climate varietal character associated with Coonawarra Chardonnay. Premium ripe fruit married with the complexities of barrel fermentation and oak maturation have produced a full-flavoured style with great character. The colour is light straw-green. The bouquet shows attractive melon and citrus-like fruit characters, enhanced by a background of soft, buttery barrel fermentation and sweet nutty oak influence.

Price per dozen **\$143.50**

Hungerford Hill Cowra Chardonnay 1995

This rich, full flavoured Cowra Chardonnay is an excellent example of contemporary Australian style. The wine has a bright, lemon straw-green colour. The fresh and inviting bouquet shows complex, ripe melon and fig-like varietal and regional fruit characters, enhanced by butterscotch nuances from barrel fermentation.

Price per dozen **\$160.00**

Rouge Homme Coonawarra Pinot Noir 1995

This is a complex and stylish wine with wonderful varietal aromas and flavours. The wine has a youthful and intense bright crimson colour. There is abundant lifted and fragrant varietal spice, strawberry and plum fruit on the bouquet with cold climate gamey and leafy characters, enhanced and complexed by charred vanillin oak.

Price per dozen **\$143.50**

Tulloch Hunter Valley Verdelho

The wine has a youthful, light to medium full green colour. Its lifted bouquet shows aromatic tropical fruit and ripe, fresh melon-like characters, typical of Hunter Valley Verdelho. The medium bodied palate is wonderfully fresh and tangy with soft, attractive fresh citrus and green apple varietal fruit flavours, finishing clean and dry with crisp acidity.

Price per dozen **\$130.00**

Penfolds Old Vine Semillon 1995

The wine has a medium pale straw colour with youthful, vibrant green hues. The bouquet shows well integrated and finely balanced fresh, tropical fruit and light herbaceous Semillon

aromas with soft barrel fermented overtones. An underlying butterscotch complexity derived from barrel fermentation is evident as well as a subtle vanillin oak character.

Price per dozen **\$174.00**

Penfolds Barossa Valley – Old Vines Shiraz – Grenache – Mourvedre 1993

The wine has a good depth of brick-red colour with crimson hues. The bouquet features youthful, raspberry jam and liquorice fruit characters derived from the Shiraz, Grenache and Mourvedre with a hint of earthiness. These enticing varietal characters and traditional barrel maturation have resulted in some boiled fruit-cake aromatic complexities.
